Chapter 6

Woaaa, first major arc. Lin Linlin.
Best name 2k14. Also, did you notice
she's the first character with a weird
hair color? Apparently it's genetic,
considering you'll see her dad's hair is
like that too. So yea, big chapter
releases, hopefully starting Monday.
Keep in mind this won't interfere with
any of the othe series we do. So with
that, look forward to it.
